Dear Resident/ Proprietor

RE. RESURFACING WORKS – MASHAM

This letter is to inform you that North Yorkshire County Council will be undertaking essential resurfacing work at the locations detailed below.

The works are currently programmed to commence on 18th March 2019 for approximately 2 weeks.

All schemes are part of an extensive programme and as a consequence it is possible that some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances such as significant weather events or emergencies on the highway network arise. You are advised to watch for the placement of signs in the area indicating the extent of the works and when operations are due to commence.

Masham Great Bridge

This scheme is currently programmed to commence on Monday 18th March 2019 and will last for 5 days. During this time **the road will be closed to all traffic for the full duration of the works**. Working hours will be between 08:00 – 17:00. A diversion route will be set up and maintained over the duration of the closure (see attached). Pedestrian access will be maintained.

Masham – (Silver Street, Church Street, Park Street and Thorpe Road)

These schemes are currently programmed for week commencing 25th March 2019 and will last for 5 days, working hours will be between 17:00 to 23:00. Please watch for the placement of signs in the area indicating the extent of the works and when operations are due to commence. Vehicular access to properties directly affected will be restricted but our contractors will assist you where possible, through the use of on-site personnel tasked with managing access. The diversion is via Ripon however, other local roads will remain open.

Please contact the Customer Resolution Centre on 01609 780780 to identify any special access needs you may have during the work periods;

All on street parking will be suspended during working hours so please ensure your vehicles are not left on the highway.

Please cooperate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

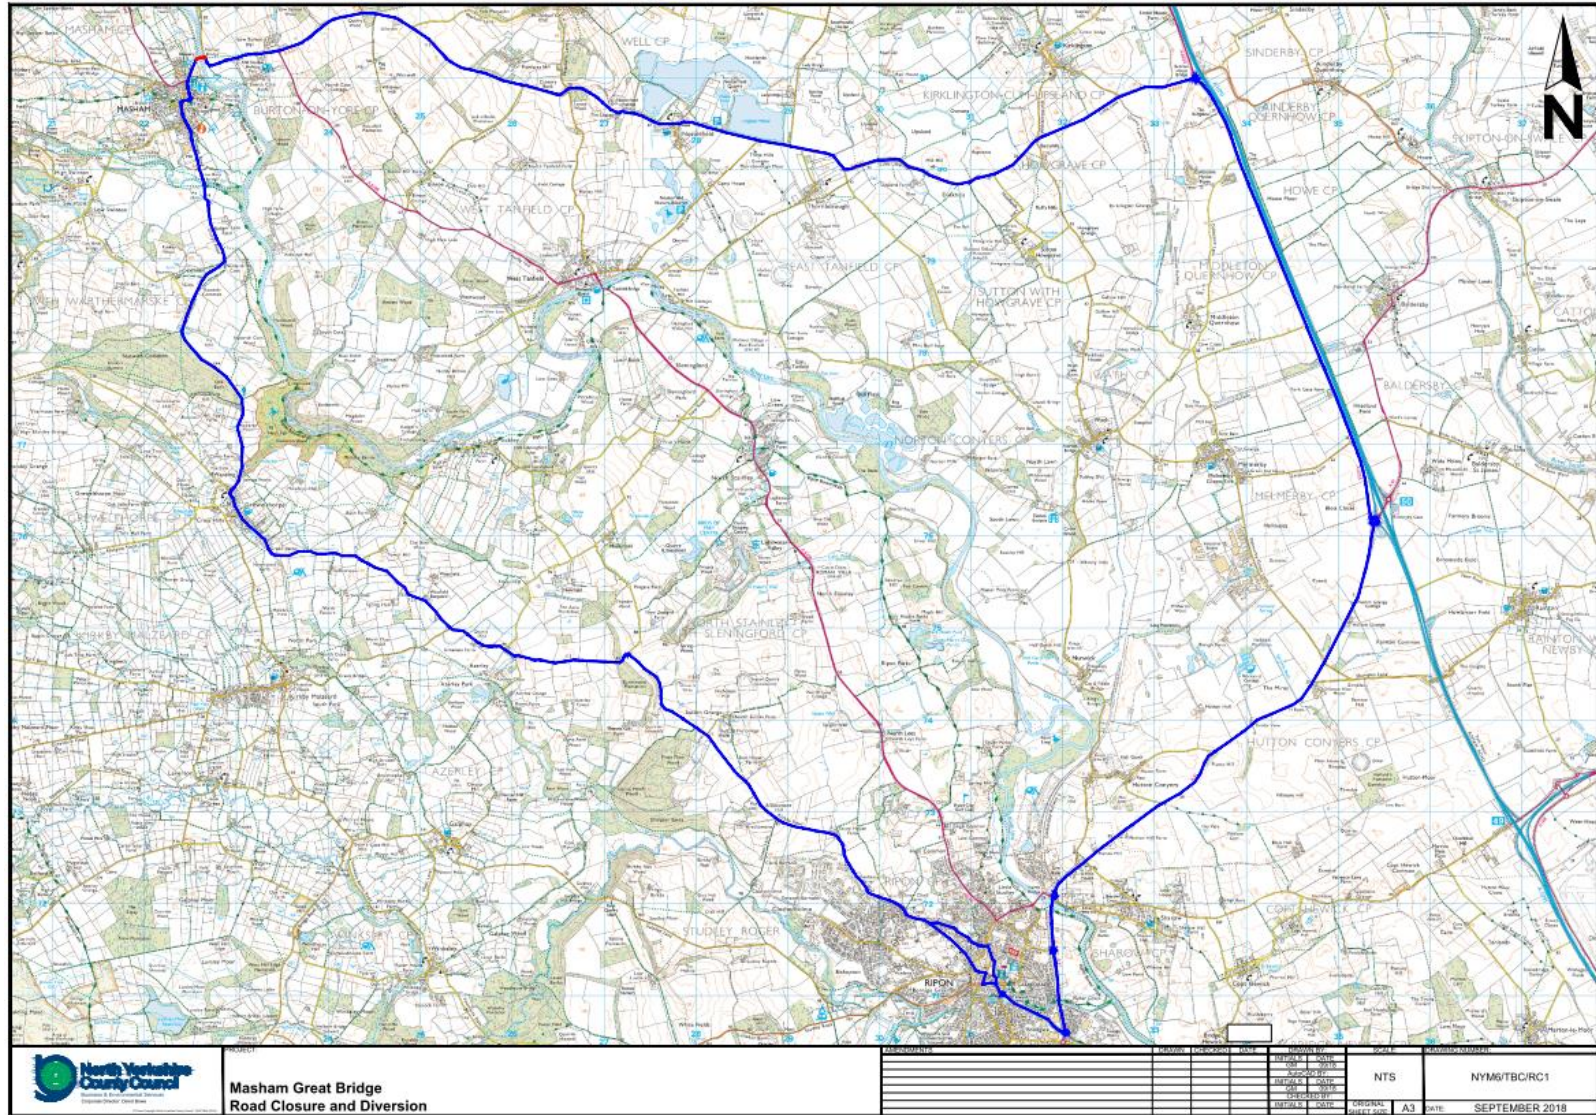

For further information including diversion information and to sign up for alerts please go to;
